Dear Parent/Guardian,

As a Title I school, we must meet federal rules related to teacher qualifications as defined in the No Child Left Behind. These rules allow you to learn more about your child's teachers' training and credentials. We are happy to provide this information to you. At any time, you may ask:

- Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching.
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, and
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from an instructional aide. If your child receives this assistance, we can provide you with information about the instructional aide's qualifications.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. Those commitments include making sure that all of our teachers and instructional aides are highly skilled.

If you have any questions about your child's teachers, please contact me at 520-5250-4834.

Sincerely,

A handwritten signature in cursive script that reads "Jeremy Copenhaver".

Jeremy Copenhaver, Principal
