

October 2017 Student and Staff of the Month Write Ups

FACE: Julian Miguel is our pick for FACE. He is very creative and loves to build roads and tunnels in the block center. He also likes to build buildings with the building magnets in the Science center. He is polite and a very good line leader for the FACE class.

Linda Talamantez is Julian's Grandmother and even though newly retired, she has made the commitment to come to FACE for her grandchildren. She will be transitioning her 3 year old granddaughter very soon. Linda is a true inspiration and role model to us all. Thank you for keeping the Circle Strong Linda!

Kindergarten Navaeh Romero from Ms Bahe. Navaeh has shown the class what it looks like to be helpful, on task, and ready to learn. She is dependable and responsible. Navaeh knows when I need help and she is also ready to help others when needed. She is a caring and motivated young lady and with continued guidance, Navaeh will always be a successful student in the future.

First: Sireny Matus from Ms Laureano. Sireny is an excellent listener and has good behavior. She works very hard and respects everyone in the classroom. She is an excellent role model for all the class. Congratulations Sireny!

Second:. Klaerra Rossel from Ms Elofson. It is an honor and a great pleasure to nominate Klaerra Rossel as my student of the month. Klaerra has a wonderful attitude and gives her best at all times. She is kind and helpful to others in the class. Klaerra has a deep sweetness coming from her heart which is a rare gift in life.

Third: Ellie Soke from Ms Brown. Ellie was chosen because she has shown her classmates many qualities that are important. Ellie is a quiet student but uses this to strengthen her observation of things around her. She observes and listens to classroom instruction and information shared by peers. Ellie's work is of high quality because she takes her time completing it and rechecks it carefully.

I have seen Ellie develop her qualities into leadership skills. She asks to pass out materials. She willingly helps others in a very patient way.

She is developing small group skills as a leader. I have seen students come sit by her to get assistance with their work assignment. She models respect and strong work ethics to her classmates daily.

I am proud to name Ellie Soke as our Third Grade Student of the Month.

Fourth: Yancy Hernandez from Mr Williamson. Yancy received the citizenship award from me for Quarter 1 was acknowledged in front of the school. She was also a Walk for Life Award winner for our school. She participates in the 21st Century after school program. She volunteers openly and has been

discipline free this year. I cannot think of a better student for this award. I am pleased to recommend her for Student of the Month for fourth grade.

Staff : Gilbert Clauschee from Mr Murdock. I would like to nominate Gilbert Clauschee for Staff Member of the Month for October. Gil is dedicated to the staff and students at GCCS. Aside from his duties working with students and staff who visit him in the computer lab, he is always asking to coach a sport and teach the student athletes about teamwork, compassion, sportsmanship, and citizenship.

He is also one of the very few staff members who volunteered to be a mentor to students in our community. He is providing his students with something that many so desperately need at this young age: guidance.

For these reasons, I feel that Gil Clauschee would be a great addition to GCCS Staff Member of the Month honorees.
