

# STUDENT OF THE MONTH

## September 2017

### **Rose Lewis**

#### **5<sup>TH</sup> grade - Ms. Valencia**

Rose stays on task with classwork and when there is extra time in class, she will get started on homework, or if her homework is done, she quietly reads a book. She is helpful, kind, gets out and plays at recess with everyone and is an all-around good person. Rose will do well now and in the future because she already shows the determination and drive to be her personal best. I'm honored to be part of her history!

### **Sincere Antone**

#### **6<sup>th</sup> grade- Ms. Muhammad**

It is with great pleasure that I recommend Sincere Antone for student of the month. Sincere is a hard working student. He works diligently to complete all assignments in each class and takes pride in his work. He has made tremendous growth academically in a short period of time. Sincere's great personality and sense of humor brings a smile to my face daily. He is very goal oriented, sharing one of his personal goals of being to school early. One morning during walk he also shared a motto that his father told him, "Don't guess and don't give up!" I think these are great words of wisdom that we can all learn from Mr. Antone. Way to go Sincere, phenomenal student of the month!

### **Roy E. Lopez III**

#### **7<sup>th</sup> grade – Ms. Anderson**

It's with great pleasure that I nominate Roy Lopez as September's Student of the Month. For this first quarter, Roy has demonstrated great work ethic in the classroom. Although chatty at times, Roy is able to focus on his assignments and get the job done, sometimes going beyond the expectations. I look forward to the rest of the year with Roy, and am pleased with the type of student he's turning out to be. Congratulations, Roy, and keep up the great work.

### **Kiyanna Charley**

#### **8<sup>th</sup> grade – Ms. Sullivan**

Our 8<sup>th</sup> grade Student of the month is none other than Kiyanna Charley. Kiyanna is a student whom I consider to be very vibrant. She is one that takes responsibility for her actions. She accepts challenges in stride. She is very charismatic to say the least. I count it a joy to have her as one of my students. Congratulations to you and all of your current and upcoming successes.
