Dear Parents/ Guardians,

Hello, my name is **Adam Hernandez** and I am one of the **Athletic Directors** for Gila Crossing Community School. I am a dedicated Tribal member set on making sure your child succeeds in this world given all the challenges they have to face day to day. Also on this journey with me are our other **Athletic Director and Physical Education Instructor Ms. Heidi Haywood** who agreed to help me on this journey and make this mission a reality.

It is with great pleasure to welcome you to this year's new and improved athletic Program here at Gila Crossing Community School. In the past Gila crossing was a member of the Superstition Athletic League. In light of the leagues disbandment it was time for Gila Crossing to move on and become a more involved member of a new sports league. That is when on May 15, 2018 Gila Crossing officially became a member of the:

VALLEY JUNIOR HIGH ATHLETIC CONFERENCE

With this new league, come a few changes to what we are used to. For one games times are going to be later around 4 or 5 o'clock. Secondly a majority of the schools we will be competing against are now located as far west as the Tolleson/ Avondale area to as far east as Central Phoenix. In addition students will most likely arrive home late due to these conditions. For example, if a game starts at 4:45 PM most likely it will end at 5:45 PM or 6 PM.

Parent involvement is always encouraged so any suggestions and ideas will be taken seriously and be considered. It's fact that without your kids we wouldn't have a sports program.

The goal for this program is to keep our students involved and on the right path to success with the help of our teachers, coaches, and parents teaming up to do what is right for the student's sake.

If you have any questions concerns or ideas the phone line to the school is always open at (520) 550-4834 Ext. 368

Have A Nice Day and GO EAGLES!!!!!!!!!!
